

He is here our Saviour

He is here our Saviour, our bright morning star
He is here among us, come down from above
Angels sing Holy, they sing of his love
Hallelujah, Hallelujah, Hallelu__jah

All people take note, from here and afar
A ba_be is born, he comes from above
Shepherds sing Holy, they sing of his love
Hallelujah, Hallelujah, Hallelu__jah

Bow down before him, wherever you are
The Christ child Jesus comes from above
All people sing Holy, and sing of his love
Hallelujah, hallelujah, hallelu__jah
