

You are Here

1. If I listen I can hear you
When I'm lost and feeling lonely
When I'm drowning in my sorrow.
I can see your loving presence.

2. Now I'm learning from your kindness.
All is good in my healing.
You are here Lord, You are here Lord.
And your presence ever near.

3. When in dying you are near me.
And I feel Lord your sweet embrace.
I am here lord in your kingdom
Safe and sure in eternal life.
